

Art
Reception Summer
Eric Carle

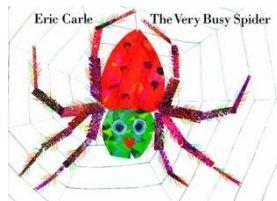

Vocabulary	Definition
Water colour	Paint made with water.
Acrylic	A thicker paint that is used to create layers of paint.
Collage	A piece of art made by sticking a range of materials to a background.
Weight	Thickness and thinness of a line.

What animals can you see?

Do you like the work?

How does it make you feel?

Artist exploration

Techniques

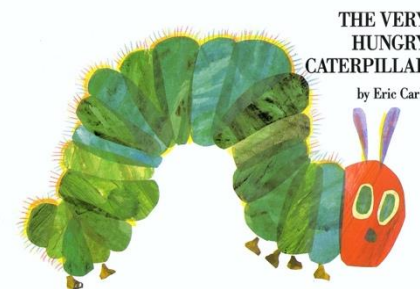

Explore creating a collage by cutting and tearing bits of tissue paper. Experiment with layering and creating different surface textures to paint on top of.

Collage

Eric Carle – The Very Hungry Caterpillar

Eric is an author and illustrator of over 70 children’s books. He uses a collage technique to create his illustrations through cutting up hand painted papers and layering them in a bright and cheerful way.

THE VERY HUNGRY CATERPILLAR by Eric Carle

Painting

Use a paintbrush and paint to explore creating lines of different weights. Look at changing the position of the paint brush to move the paint in a different way. Think about creating new colours by mixing.
