

End Points

Year 2 – UK seas and coasts

What I know and can explain

- I can name and locate the world's seven continents and five oceans
- I know the oceans in order of size
- I can match basic descriptions to each ocean
- I can name and locate the four seas surrounding the UK
- I know certain creatures that are specific to each of the four seas
- I know that fishing and oil drilling happens in the North Sea
- I know that the oceans have three layers: the Sunlight zone, Twilight Zone and Midnight Zone
- I can match basic descriptions to each of these zones
- I can examine the impact of plastic pollution on ocean wildlife
