

End Points

Year 3 – Manchester: changes over time

What I know and can explain

- I know the counties of England
- I know the biggest cities in the UK and how they are linked
- I know why the physical geography of Manchester has helped it grow
- I know that the Manchester and Liverpool are linked by a railway and canal
- I know how these transport routes have helped Manchester trade and grow more
- I know what makes Manchester an attractive place to live and work
- I can use OS maps and 4-figure grid references
- I can make a map using symbols and keys
- I know key human and physical features of my local area, including the River Mersey
- I can use simple sampling techniques to investigate traffic in West Didsbury
- I can make models, annotated drawings and field sketches to record observations
- I can take digital photos and annotate them with labels and captions
