

## End Points

### Year 3 – Early civilisations

#### What I know and can explain

- I know what longitude, latitude and equator means
- I know that the earliest civilisations were all on the same line of latitude
- I know why early civilisations were built around major rivers
- I know that rivers were important for irrigation, fishing, washing and disposing waste

#### Useful vocabulary

civilisation  
equator  
longitude  
latitude  
irrigation  
hygiene  
disposal  
trade
