

End Points

Year 4 – Manchester: city and suburbs

What I know and can explain

- I can explain what makes an effective map
- I can draw a detailed map of St Peter's Square
- I can examine the economic activity in Manchester City Centre
- I can investigate routes, journeys and commutes in to Manchester City Centre
- I can design a questionnaire to collect quantitative data
- I can analyse and present quantitative data in charts and graphs
- I can design and conduct fieldwork interviews
- I can suggest more sustainable options to travel to the city centre
- I know why Manchester City Centre is an attractive place to live, work and visit
