

End Points

Year 6 – Manchester: development past and present

What I know and can explain

- I know the major counties and cities of the UK and how these are linked by road and rail
- I know what a conurbation is
- I know how the topography of Manchester and how this led to the development of the conurbation
- I know how buildings and land use in Manchester has changed over time
- I know what Manchester City Council's Local Development Plan is and can examine local priorities via digital mapping
- I can design my own questionnaire to collect quantitative and qualitative data
- I can design and conduct field interviews
- I can present this information in charts and graphs
