# Unit 3
Addition and subtraction ❷

In this unit we will …
- ⚡ Add two 2-digit numbers
- ⚡ Subtract 2-digit numbers
- ⚡ Find the difference between two numbers
- ⚡ Solve missing number problems

How many more rubbers are there than pencils?

Use the number line to find out.

6 7 8 9 10 11 12 13 14 15 16 17 18

We will need some maths words. Do you remember any of them?

| total | tens | ones |

| subtract | difference |

| 10 more | 10 less |

| bar model | represent |

Base 10 equipment is useful. Use it to find the total of 16 + 7.

=
