#### What I know and have done

##### Make sense of belief:

- I can identify a story or text that says something about each person being unique and valuable.
- I know that stories can help people understand that they are unique and valuable.

##### Understand the impact:

- I can give an example of how people show that they care for others, making a link to a story.
- I know why Christians and Jewish people might want to look after the natural world

##### Make connections:

- I can think, talk and ask questions about what difference believing in God makes to how people treat each other and the natural world.
- I know some reasons why everyone (religious and non-should care for others and look after the natural world.
