What I know and have done

Make sense of belief:

Recognise that there are special places where people go to worship, and talk about what people do there • Identify at least three objects used in worship in two religions and give a simple account of how they are used and something about what they mean • Identify a belief about worship and a belief about God, connecting these beliefs simply to a place of worship

Understand the impact:

Give examples of stories, objects, symbols and actions used in churches, mosques and/or synagogues which show what people believe • Give simple examples of how people worship at a church, mosque or synagogue • Talk about why some people like to belong to a sacred building or a community

Make connections:

Think, talk and ask good questions about what happens in a church, synagogue or mosque, saying what they think about these questions, giving good reasons for their ideas • Talk about what makes some places special to people, and what the difference is between religious and non-religious special places.
