- I can make links between religious beliefs and teachings and why people try to live and make the world a better place

Understand the impact:

- I can make simple links between teachings about how to live and ways in which people try to make the world a better place (e.g. *tikkun olam* and the charity Tzedek)
- I can describe some examples of how people try to live
- I can identify some difference in how people put their beliefs into action

Make connections:

- I can raise questions and suggest answers about why the world is not always a good place, and what are the best ways of making it better
- I can make links between some commands for living from religious traditions, non-religious worldviews and my own ideas.
