What I know and have done

Make sense of belief:

- I know what type of text some Christians say Genesis 1 is, and its purpose
- I can suggest what Genesis 1 might mean, and compare my ideas with ways in which Christians interpret it

Understand the impact:

- I can make clear connections between Genesis 1 and Christian belief about God as Creator
- I know why many Christians find science and faith go together

Make connections:

- I know key ideas arising from my study of Genesis 1 and can comment on how far these are helpful or inspiring
- I can weigh up how far the Genesis 1 creation narrative is in conflict, or is complementary, with a scientific account
